4TH SIRC FORUM ON NEW ROADS IN CARDIOVASCULAR RESEARCH

SAVE THE DATE!

ROMA, 06 OTTOBRE 2018

Dead-line Abstract submission July 20 2018

(Submission opens on May 23 2018)

The Forum is an opportunity for young researchers to present and discuss their work and discoveries with the international community of researchers in the field of cardiovascular sciences.

During the Forum will be selected and awarded the best posters and the best oral presentations.

In addition to the SIRC awards, there will also be a joint SIRC / ISHR-ES award for best presentation .
